## TYPES OF DATA PROCESSED

### Navigation data:

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

This information is not collected to be associated with identified interested parties, but by their very nature could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes the IP addresses or domain names of the computers used by users connecting to the site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numeric code indicating the status of the response given by the server (good purpose, error, etc.) and other parameters relating to the operating system and the user's IT environment.

This data is used only to obtain anonymous statistical information on the use of the site and to check its correct functioning and is deleted immediately after processing. The data could be used to ascertain responsibility in case of hypothetical computer crimes against the site: except for this eventuality, the data on web contacts do not persist for more than seven days.

### Cookies:

No personal user data is acquired by the site in this regard. We do not use cookies to transmit information of a personal nature, nor are c.d. persistent cookies of any kind, or systems for tracking users. The use of c.d. Session cookies (which are not stored permanently on the user's computer and disappear when the browser is closed) are strictly limited to the transmission of session identifiers (consisting of random numbers generated by the server) necessary to allow safe browsing and efficient site.

I c.d. Session cookies used on this site avoid the use of other IT techniques that are potentially prejudicial to the privacy of users' browsing and do not allow the acquisition of personal identification data of the user.

This website does not use profiling cookies; technical cookies, ie navigation or session cookies, which are strictly necessary for the website to function or to allow the user to use the contents and services have the same duration as navigation.

### First access banner:

The provision of the Guarantor of 8 May 2014 requires the preparation of a banner at the first access of the user on the website (brief information) which indicates in an essential way what are the methods of management of cookies by the website, referring to the Privacy Policy.
